മോശയും യിസ്രായേൽ മക്കളും അന്നു യഹോവയ്ക്ക് സകീർത്തനം പാടി  
ചൊല്ലിയതെന്തെന്ന്; ഞാൻ യഹോവയ്ക്ക് പാട്ടു പാടും,  
അവൻ മഹാനന്മൻ, കൃതിയേയും അതിന്മേൽ ഇരുന്നവനെയും അവൻ  
കടലിൽ തള്ളിയിട്ടിരിക്കുന്നു. പുറപ്പാട് 15:1

'Then Moses and the Israelites sang this song to the Lord:  
I will sing to the Lord, for he is highly exalted.  
The horse and its rider he has hurled into the sea'. Exodus 15:1

## **Reading portion: Exodus 12,14,15,17**

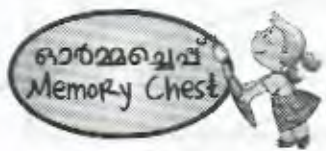

Jacob and his sons and family had stayed in Egypt now for many years. Then a new Pharaoh, who did not know Joseph and the Israelites, came to power. He troubled the Israelites a lot. God appointed his servant Moses to deliver the people of Israel. Today we will learn how God delivered them.

Moses was the son of Amram and Jochebed. Since Pharaoh gave order to kill all the baby boys of Israelites, Moses's parents hid him in a papyrus basket and put him in the river. When Pharaoh's daughter came to the river to take bath, she saw the child and took him to the palace and brought him up. Moses who grew up in the palace was well versed in all arts and became a mighty man.

Israelites cried to God due to hard labour by the Egyptians, and God heard their cry and appointed Moses as the leader to deliver them. Since Pharaoh did not agree to let the people go, God punished him in many ways. Finally he allowed them to leave with all their wealth and belongings. Moses prepared them for the journey. "I will always be with you", God promised Moses and the Israelites.

This large number of people had to cross the Red sea. But they did not have any boat or ship to cross the sea. People became scared when they saw the big sea. They startled among themselves about how they will cross the sea. Moses strengthened them saying 'God is with us, He will open way for us'. Now the Pharaoh felt bad that he let go the people of Israel. So he came after them with his army and chariots to bring them back to Egypt. When the Israelites saw the sea in front and the army behind, they were frightened and cried aloud. God said to Moses, 'Raise your staff and stretch out your hand over the sea to divide the water'. Moses raised his staff towards the water. Then a strong wind blew and the waters were divided and a dry ground appeared. The waters stood like a wall on both sides and Moses led the Israelites across the sea on dry ground. Pharaoh's army and chariots also followed the same path through which the Israelites were safely taken, to the other side. When they reached the middle of the sea, God told Moses once again to raise his staff to the sea. Moses did so and the waters which stood as walls flowed back to its place. The entire army of Pharaoh died in the sea.
