Whoever loves his brother lives in the light,  
and there is nothing in him to make him stumble. 1 John 2 : 10

## **Reading Portion: 1 Samuel 18: 1-4, 19: 1-7, 20: 1-42**

Can you tell the name of your "best friend"? What do you usually do when you see your friends? (let the children say). Do you like your friends coming to your home and staying with you? Let us listen to the two friends who wished to stay together forever.

When David killed Goliath, King Soul was very happy. He asked David to come and stay with him in his palace. David knew to play his Harp and sing very well. He became a beloved to everyone in the King's palace. Jonathan son of King Soul became David's best friend. David was happy to have Jonathan as his intimate friend. Jonathan gave some of his beautiful clothes, sword, bow etc to his best friend David. They always tried to be together and they wanted to continue like that till death.

As days went by, the people of Israel realized that David is much more brilliant than

Soul and He got more respect than the King. Soul became jealous and finally decided to kill David. When Jonathan came to know about it he pleaded to his father Soul : "Please do not kill David. He loves God. He will never do any harm to us and he has done only good to us." But the King did not agree.

Jonathan understood that his father will definitely kill David. Realizing the danger he told David about his father's plan: "My father has decided to kill you. Please leave this place" Then he hugged him and cried. They had no choice. David was forced to leave Jonathan. They promised that they will be good friends till they die. David thus escaped the wrath of the king and death. A friend who saves you from danger is a true friend. David became the King of Israel after King Soul's death.

**Message: Jesus Christ is the true friend who gave his life to save 'sinners' from the wrath of God. We must love him and live for him. We should also sincerely love each other. A friend who loves you in your trouble is a true friend.**
