"And Enoch walked with God:
and he was not; for God took him." Genesis 5.24

Reading Ref: - Genesis 5:1-27 (21-27). Jude 1:14,15.

Do you have some good friends in your school, church and near your house? Let me tell you about a person 'who was a good friend of God'. Do you know what was special about him? He "walked with the Lord".

Seth was the son born to Adam and Eve after Abel died. As generations progressed, people forgot the Lord and they lived as they liked and did not worship God as they

were supposed to. The Lord was grieved when he saw the best of His creation that he made, in His own image, ignored Him and lived according to their own desires. They neglected worship and God was really unhappy in their sinful nature. Enoch, the seventh generation from Adam, was born to Jared at this time. Even though the people were living in a very sinful style, Enoch heard from Adam (his great grandfather) about the Lord and obeyed God, worshipped Him and lived a life well pleasing the Lord. He taught his family to love God and worship him in their life.

When he was 65 years old, he was blessed with a son from God. His name was Methuselah. He is the oldest ever-lived person on earth. He lived 969 years. Do you know in olden times the life span was so long as God wanted them to be spread in the world? After the birth of Methuselah, Enoch lived for 300 years and had many more children. Enoch loved and obeyed God more than his wife, children, wealth and everything he had and spent time in prayer, worship and walked according to the commandments of the Lord. Thus it is written he walked with GOD for 300 years.

Why is it written 'Enoch walked with the Lord'? Enoch spoke only what was true. He heard what God spoke to him and obeyed His commandments, devoted his life to worship God. Just like we club our hands and walk with our friends, Enoch became a friend to Lord God, became a companion. He heard God's plan for man, the heavenly blessings and the joy in eternal life. He became a prophet of God and knew the things to happen in future as God told him those things. The fellowship with God was a great blessing for Enoch. He gave the first priority to God than everything and he did everything according to the counsel of God.

When Enoch was 365 years, one day, when he was walking together with the Lord, he went along with the Lord to heaven. It is written 'he walked with the Lord' and his dear ones came to know that he was taken by the Lord to heaven without seeing death in his life. Enoch, who walked with the Lord, went to be with the Lord to heaven, alive.

Message: God loves those who obey his commandments and walk according to his counsel. We must obey God and tell truth only in our life. Do what God likes, to walk with Him.
