Have you seen Policemen? (Describe their gun, rod, their size, and uniform, serious looks) Often we get scared when we see them. A young boy defeated a Giant who was a military commander in Philistine army, single handed. Let us learn that story.

Once a big army of Philistines came for war with God's people, Israel. Their leader was a giant named Goliath. He was so mighty that his appearance itself will make anyone scared. He was 9.6 feet tall. He had a bronze helmet on his head. He wore an armor of bronze weighing 5000 shekels, on his legs he wore bronze greaves and a

bronze javelin was slung on his back. His spear iron point weighed 600 shekels. His servant used to stand in front of him and shouts at the Israelite army like this, 'Choose and sent the best soldier from your army to fight with Goliath. Whoever looses the battle will be the slaves of the winner'. But Israelites were not able to take up this challenge nor were they able to send someone to fight the battle with Goliath.

David was the eighth son of Jesse. His job was to tend his father's sheep. Three of his elder brothers were soldiers in the army of Israel. David's father sent David to the army camp to see how well his brothers were doing. But what did David hear when he reached the army camp? Goliath's looks and his words defying Israel infuriated David. When David heard Goliath insulting God and God's people he became sad and very angry and he said : "I will kill this Philistine". The King of Israel came to know about David's statement. The King called for David and dressed him his armour, helmet and sword. But David was not used to this kind of dressing. So he wore his Shepherd's dress. He took his rod, his sling and chose five smooth stones from the stream and moved towards Goliath. Making fun of David, Goliath said "Am I a dog that you come with sticks?" But David in the name of the Lord Almighty went straight to Goliath, took one smooth stone from his bag and he slung it and struck Goliath on the forehead. Goliath fell with face down on the ground. David ran and stood over him. He drew the Philistine's sword from the scabbard. He cut off Goliath's head with his own sword and brought it to the King. Israelites completely defeated the Philistines.

David, though was a young boy, God used him to do great things. God does not discriminate big and small. God wants to use us.
