Introduction : Everybody likes big processions and games, etc. Have you ever gone to see ministers? Don't you like to see vehicles which you have never seen before? As you are children at crowded places you may not be able to see what you would like to see. Some people climb upon tall buildings and trees to see what they like if they are unable to see from the ground. Once a certain short man desired to see Jesus? How did he manage it? We shall study today.
