Memory Verse : Psalms 4:4

Objective : God punishes those who transgress his commandments

Teaching Aids : Pictures of:

Bible. Pictures of Young Lion roaring against Samson, foxes being tied tail and firebrand placed between the tails, having lost his eyes. Samson grinding in the prison

Introduction : Have you seen matchstick burning? What happens to the burning matchstick after some time? It goes out after burning glowingly for some time. Then its shine is lost. When the fire goes out, at the end of the matchstick a black thing is seen. It has no beauty. Some men's life is like this. They did shine well for God but because of their sins against Him they have lost their light and become desperate and pathetic.
